Despedaçada pela morte do pai na batalha de Tinchebray, a nobre normanda Chrestien de Lontaine planeja casar a irmã e depois buscar a proteção de um convento, jurando não pertencer a homem nenhum...

Pelo menos dessa vez, Chrestien está profundamente feliz por seu pai ter sido tão protetor, pois poucos sabiam que ele possuía filhas gêmeas. Mas alguém sabe de seu segredo... e agora só o Lobo Prateado de Henrique, o odiado inimigo responsável pela morte de seu pai, pode salvar essa impetuosa beleza.
