Synopsis

Calendar Girl Mia Saunders has come a long way. She rounds out the end of her year-long journey in Hollywood, New York City, and Aspen.

In October, Mia starts her new life working on a celebrity daytime television show where she runs a regular segment about living beautiful. Her guy deals with the aftermath of captivity, and together they find a way to fight through the storms.

Next, Mia travels to the Big Apple to tape a program about being thankful. All of her dreams are coming true...except for one.

Finally, in December, our girl finds herself in the winter wonderland of Aspen, Colorado to film a segment on local artists under rather unique circumstances. Prepare to be wowed as Mia's journey merges into the ending everyone has been waiting for.
