Synopsis

Mia Saunders has just barely escaped a paltry life back home in Las Vegas when she receives an ominous phone call. Her father has been beaten to within an inch of his life for not paying his gambling debt, and the loan shark is none other than Mia's ruthless ex-boyfriend--another in a long line of jerks she's fallen head over heels for.

Not anymore.

Mia's mission is simple--serve as a high-priced escort for her aunt's company and pay monthly against her father's bad debt. Spend a month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money.

At least that's the way it's supposed to go...
