In CHASED BY LOVE...

Actress Trish Ryder takes her job seriously and has no time for those who don't. When she's awarded a major role in a new movie featuring America's hottest rock star, Boone Stryker, she's beyond excited. The six-two, tattooed hunk of burning desire is known for his dedication to his craft—but when he ditches their first meeting, she begins to wonder if he's just another rocker with a great PR team.

Sex, booze, women, and music pretty much sum up Boone Stryker's private world. He's coasted through life playing by his own rules with plenty of people willing to cover his tracks, and he's not likely to change—until he meets a woman who refuses to give him the time of day, much less anything more.

Sparks fly from the first moment Trish and Boone meet—Tensions run hot and desire runs hotter when they're trapped together on a remote location with no place to hide. Will sparks ignite, or will a hurricane douse the flames?
