This selection of poems by Leonard Cohen, one of the most acclaimed singer-songwriters in the world, is accompanied by twenty-four of his striking and provocative drawings.

Cohen first made his name as a poet more than half a century ago and since then his achievements in poetry and music have made him an internationally revered figure. These fifteen poems, including "Death of a Lady's Man," "On Hearing a Name Long Unspoken," and "The Embrace," are drawn from across his remarkable career and appear here for the first time with his illustrations. With its lyrical intensity and sensual immediacy, *Fifteen Poems* offers a potent distillation of the genre-crossing genius of one of the most admired artists of our time.
