The real life examples are manifold, well chosen and amplify the lessons being taught. This gives the reader an immediate advantage of getting the best of both the worlds.**

**While all chapters are interesting read, chapters 11 & 12 are the highlights of the book as they lay out a simple but actionable game plan for a trader and investor. As if the overall package was not sweet enough, Sadekar has compiled a tear-away candlestick ready-reckoner at the end of the book to identify emerging patterns in real time.
