O mundo insone
e outros ensaios

Stefan Zweig, famoso por suas obras de ficção, escreveu também perfis, ensaios políticos, memórias de viagem e análises sobre fenômenos do seu tempo. Essa vertente ensaística, que revela o intelectual dominado pela curiosidade, ágil, criativo e de múltiplos interesses é hoje imprescindível para compreendermos sua moderna visão de mundo. Nesse volume, o jornalista Alberto Dines, biógrafo de Zweig e maior conhecedor de sua obra no Brasil, nos oferece uma antologia com seus melhores ensaios, diversos deles inéditos em português.
