Michael Drury, Viscount Weston, treats life like a business, shunning personal connections at all costs to avoid the passion that ultimately destroyed his parents. Discovering drab governess Emma Grisby in his library is a shock, especially since her uncle appears to have risen from the grave with deadly intent. He suspects her of working with her uncle and devises a scheme to watch her.

Desperate to aid her family, Emma reluctantly agrees to Michael's offer to give her a season with the hopes of finding a wealthy husband. She trusts no man and does her best to ignore her growing feelings for the handsome viscount.

Watching Emma transform into a beautiful, confident woman is more than Michael bargained for. He fears losing control of his carefully ordered life when his love for her intensifies. As passions collide and secrets are revealed, Michael and Emma must decide if they are strong enough to risk their hearts, and possibly their lives, for love.
