From USA Today Bestselling Author Jennifer Sucevic comes a sexy, new standalone novel.

Grace

Chicago is a new beginning for me. It's a chance to find my bearings and spread my wings. I've spent the last two years in mourning. I need to jumpstart my life again. What I don't need is to get tangled up with my sexy neighbor. He's the most stunning man I've ever seen. One look aimed in my direction is enough to leave me breathless.

But danger lurks beneath his polished exterior.

I sense it.

Every instinct I have is prodding me to run.

To never look back again.

But I can't do that.

One stroke of his fingers against my skin and I'm addicted.

Matteo

I've never been a man for entanglements. But there's something about her that draws me. I fool myself into believing that one taste will be enough to satiate my hunger.

But it's not. I'm greedy for more.

She's young and innocent.

She has no idea who I am.

Who my family is.

The power we wield.

If she did, she would run away screaming and never look back.

If I weren't such a selfish bastard, I'd let her go.

But it's too late for that.

I'll move heaven and earth to make her mine.

This New Adult novel has mature content and is intended for readers over the age of 18
