Etched against the background of a dying rural society, Tess of the d'Urbervilles was Thomas Hardy's "bestseller," and Tess Durbeyfield remains his most striking and tragic heroine. Of all the characters he created, she meant the most to him. Hopelessly torn between two men--Alec d'Urberville, a wealthy, dissolute young man who seduces her in a lonely wood, and Angel Clare, her provincial, moralistic, and unforgiving husband--Tess escapes from her vise of passion through a horrible, desperate act.

---"Like the greatest characters in literature, Tess lives beyond the final pages of the book as a permanent citizen of the imagination," said Irving Howe. "In Tess he stakes everything on his sensuous apprehension of a young woman's life, a girl who is at once a simple milkmaid and an archetype of feminine strength. . . . Tess is that rare creature in literature: goodness made interesting."

---Now Tess of the d'Urbervilles has been brought to television in a magnificent new co-production from A&E Network and London Weekend Television. Justine Waddell

(Anna Karenina) stars as the tragic heroine, Tess; Oliver Milburn (Chandler & Co.) is Angel Clare; and Jason Flemyng is Alec d'Urberville. The cast also includes John McEnery (Black Beauty) as Jack Durbeyfield and Lesley Dunlop (The Elephant Man) as Joan Durbeyfield. Tess of the d'Urbervilles is directed by Ian Sharp and produced by Sarah Wilson, with a screenplay by Ted Whitehead; it was filmed in Hardy country, the beautiful English countryside in Dorset where Thomas Hardy set his novels.

The Modern Library has played a significant role in American cultural life for the better part of a century. The series was founded in 1917 by the publishers Boni and Liveright and eight years later acquired by Bennett Cerf and Donald Klopfer. It provided the foundation for their next publishing venture, Random House. The Modern Library has been a staple of the American book trade, providing readers with affordable hardbound editions of important works of literature and thought. For the Modern Library's seventy-fifth anniversary, Random House redesigned the series, restoring as its emblem the running torchbearer created by Lucian Bernhard in 1925 and refurbishing jackets, bindings, and type, as well as inaugurating a new program of selecting titles. The Modern Library continues to provide the world's best books, at the best prices.
