*All were shocked at the announcement of the "cursed" Lady Claire Cavensham to Lord Alexander Hallworth, the Marquess of Pembroke, especially since she is already engaged to another unfortunate Lord. Perhaps she will make it to the altar this time with one of these fine gentlemen! —Midnight Cryer*

No one is left breathless at the imperious pronouncement of her engagement to Lord Pembroke more than Claire. She hardly knows the dangerously outrageous man! But after three engagements gone awry and a fourth going up in glorious flames, she isn't in a position to refuse...

Alexander requires the hand of his enemy's fiancée in marriage in order to complete his plans for revenge. It's his good fortune that the "cursed" woman is desperate. However, what begins as a sham turns into something scandalously deeper...
