One of Book Riot's "9 Not-To-Be-Missed Romances Hitting the Shelves this Summer"

Can a woman who's down on her luck find love with a dashing Duke-to-be? Find out in *The Luck of the Bride*, the next Regency romance in the Cavensham Heiresses series from Janna MacGregor.

She's leaving nothing up to chance. Not even love...

March Lawson is an orphan who, for the past eight years, has struggled to raise her siblings on a meager allowance. Most women March's age would be picking out ball gowns for the upcoming season. But March's focus is not on finding a husband. First, she must devote her energies to just one man: the coldhearted skinflint who refuses to release her inheritance.

Michael Cavensham, the Marquess of McCalpin, is not a heartless man. When he learns that Miss Lawson has been forging his name to procure funds, he can't bring himself to

have her arrested—not when the bold-faced embezzler is so enchantingly beautiful. Instead, McCalpin agrees to visit her home to assess the situation more closely. March has no choice but to accept. But how can she manage the handsome trustee who controls her purse strings—when he tugs at her heart strings as well?
