The day will come
You can miss school
But not the interest in learning
You can miss affection
But not a welcoming touch
You can even lack bread, only enough to nourish the body but not your soul
You may lack paths
But not roads
May the sun always rise, for growth knows no bounds
God as our license to stride forward, to the heights of others, to our transformation without harm, menace, or offense
The warrior springs from every corner, from the pressing necessities that overpower tenacity, it surpasses itself
Throughout the journey ...
Exclusive dedication by CARLINHOS BROWN for this edition.

This book talks about battles. Battles that help exemplify and teach us about the strategies needed to succeed in life.

Battles that clearly show how chasing everything we want is no easy task. But we must never kneel before destiny because that is, according to José Luiz Tejon, "the essence of a soul forged with the strength and resolve of great warriors." In *Warriors are not born ready*, Tejon, with his inimitable and inspirational words, demonstrates how the path to success is nothing short of stacked with obstacles. Tejon will awaken your warrior spirit within, and guide you towards making smart choices, those truly aligned with your own values in life. Among other aspects of the warrior ethos, here you will learn to:

Build your sense of identity - Define what you stand for - Avoid letting others define you - Embrace your personal challenges - Never fear being the first

This book will revolutionize both your professional and personal life.
