It doesn't take too much living before we realize that life never goes quite the way we want it to. But when things get hard and we don't understand what God is doing, what is our first impulse? Is it to resist him and run away like Jonah? Or is it to trust him even while trembling in fear of suffering like Habbakuk?

In this powerful exploration of God's often mysterious and counterintuitive ways, Dr. Larry Crabb challenges readers to seize the opportunities for growth and maturity that come our way when we experience troubles and failures. Rather than pushing back against adversity, he invites us to look closer at what God is doing in our lives when it feels like he is far from us. Unpacking the stories of two very different prophets, Crabb lights the way to a life of resting in the goodness of a God who is always working out his plan for our lives.
