I have a history of picking the wrong guy. Gay? Player? Momma's boy? Check, check and check.

Now I can't stop fantasizing about one of the customers at the coffee shop I work at between classes. It's just a harmless crush, right? It's not like I ever see this guy outside of the coffee shop. It's not like I'm going to see him while attempting to get birth control at the student clinic. While wearing a paper gown. While sitting on an exam table. Because he's the doctor. *Shoot. Me.*

But what if, for once, the man I've had the dirtiest, most scandalous fantasies about turned out to be everything but wrong?
